Filed : August 21, 2003

For : METHOD OF LEVELS OF PING
NOTIFICATION

Docket No.: M61.12-0276

Group Art Unit: 2157

Examiner: Salad

INTERVIEW SUMMARY

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Electronically Filed
January 31, 2008

Sir:

An interview was held on January 30, 2008 between Examiner Salad and Applicants' representative Theodore M. Magee. Examiner Salad indicated that claims 1-11, 13 and 14 were in form for allowance but that claims 15-23 suffered from a §101 problem and that the claims appeared to be directed to a separate invention from claims 1-11, 13 and 14 and as such should be restricted out of the case. Applicants' representative agreed that claims 15-23 could be canceled through an Examiner's Amendment to allow claims 1-11, 13 and 14 to proceed to allowance.

The Director is authorized to charge any fee deficiency required by this paper or credit any overpayment to Deposit Account No. 23-1123.

Respectfully submitted,

WESTMAN, CHAMPLIN & KELLY, P.A.
